Other Stewardship info:

- We have introduced a new web and mobile based method of making your offering contributions, Give+. This feature makes it possible for either a one-time or recurring offering from either your checking or savings account. A link to Give+ is on the church homepage, and you can also download the app on your mobile device.
- One giving option that may help you reduce your tax burden is a "Qualified Charitable Distribution". For those that are over age 70 ½ and have an IRA with a Required Minimum Distribution (RMD), you can bypass paying taxes on any proceeds that are gifted to a charity/religious organization/501c3. Instead of receiving the RMD, paying the full tax, and then making your regular offering contribution, you can instead have some portion of your RMD transfer directly from your IRA to a 501c3 organization (like Living Savior) and avoid paying taxes on that income. If you would like more general information about this, please contact Adam Wilkie. For anything more specific or detailed, please consult your tax advisor.
- As continues to be the case, there are several options to consider maintaining your regular offering contributions:

Mail your offering to the church:

8740 SW Sagert Street, Tualatin, OR 97062

Drop-off at the church during regular office hours:

Tuesday through Friday from 9am to 2pm
